SPECIAL AWARDS

BEST OF SHOW - CABVI TROPHY

AWARD CLASSES – STOCK

Cars entered in the STOCK PRODUCTION CLASSES shall be original or restored vehicles as they would have left the factory. MINOR modifications to improve safety or drivability shall be allowed. Minor modifications include radial tires, dual master brake cylinders, disc brakes, and safety belts. Dealer-installed options available at the time of vehicle production are also allowed. Vehicles with MAJOR modifications such as non-period engine swaps, late model frame and suspension modifications, custom paint finishes and/or colors not available when the vehicle was built, customer interior finishes, and modern custom aftermarket wheels should be entered in modified or custom classes.

JUDGING: NOON | AWARDS CEREMONY: 3PM
